Position: Behavioral Health Technician

Program: IBHS

Description:

Compassionate, dedicated, and strength-based Behavioral Technicians who are committed and have a passion for working with children, youths, young adults and their parents or caregivers in their homes, in the community and in schools. This position offers flexible hours in which you can make your own schedule. This position is part-time, fee-for-service, and will work within the new IBHS regulations.

Responsibilities:

- Provide BHT services based on the Individualized Treatment Plan.
- Provide behavioral stabilization and interventions to support services provided by a behavior specialist and/or mobile therapist.
- Assist parent or caregiver to address the therapeutic needs of the child, youth, or young adult • Collect data as defined with in the individualized treatment plan
- Have ongoing communication and collaboration with all treatment team members and other necessary staff, as well as parents or caregivers and other providers as appropriate to provide continuity of care.
- Executes timely documentation of client information including treatment plans, progress notes, etc.
- Establishes a relationship of trust and respect with staff, clients, and parents. • Attend supervision
- Complete other tasks as requested by the management team.

Requirements:

BHTs must meet **one** of the following:

- RBT, BCAT, or BCABA certification.
- Behavior analysis certification that is accredited by the National Commission for Certifying Agencies or the American National Standards Institute.
- BHT certification from the Pennsylvania Certification Board.
- Have a bachelor's degree in psychology, social work, counseling, sociology, education, or related field.
- Have a high school diploma or the equivalent of a high school diploma and have completed a 40- hour training covering the RBT Task List as evidenced by a certification that includes the name of the responsible trainer, who is certified as a BCBA or BCaBA. and a minimum of 2 years of experience in the provision of behavioral health services.
- Have an associate degree or at least 60 credits towards a bachelor's degree and a minimum of 1 year of full-time experience in providing mental health direct services to children, youth, or young adults.
- Have a Pennsylvania license as a registered nurse and a minimum of 1 year of fulltime experience in providing mental health direct services to children, youth, or young adults

Other requirements:

- All BHTs who do not currently have an RBT certification will be required to complete the 40- hour training to receive the RBT certification
- Child Abuse, Criminal, CPR Certification, and FBI Clearances
